

SALAMANDER DESIGNS
**LG PROJECTOR
INTEGRATED CABINETS**

Designed for 4K UHD Laser Smart Home Theater Cinebeam Projector
(Model# LG HU85LA & HU915Q)

Seamless Stealthy Solution For Virtually Any Decor

A simple installation with no need to open the wall or ceiling to run cables. All supporting components can be enclosed in the credenza to provide a beautiful and simple solution.

Features:

- Flush top surface, recessed projector cavity design
- Extruded aluminum frame creates a support skeleton
- Pinch-out rear panels to permit fast, easy access to components and wiring
- Built-in Louvers for better air flow to keep equipment cool
- All supporting components including a speaker system can be enclosed in the credenza to provide a beautiful and simple solution. IR Repeater System required to control projector.
- Wide variety of bolt-on options and accessories are available
